What is LVT?

Amtico's multiple heat laminated layers give strength and durability, whilst pushing the boundaries of design.

1. Quantum Guard
Provides superior durability and resistance against scuffs and marks.

2 & 3. Multi-layered High Density 1mm Wear Layer
To withstand intense use.

4&5. Aesthetic Layers
Our carefully crafted choice of print films and pigmented layers that produce beautiful Wood, Stone or Abstract designs.

6&7. Backing Layers
The final layers provide a foundation for the aesthetic layers to guarantee high performance.

Where is it suitable?

Because Amtico LVT is strong and easy to look after, it's suited to all areas of the home including:

- Hallways
- Kitchens
- Bedrooms
- Bathrooms
- Living spaces

It takes minimum effort to maintain it's good looks, so the dining room, lounge or conservatory will always look it's best with a quick sweep and light mop. Plus, being naturally warm underfoot, Amtico will feel comfortable for everyone, working perfectly with any underfloor heating at home.

Why Amtico?
